

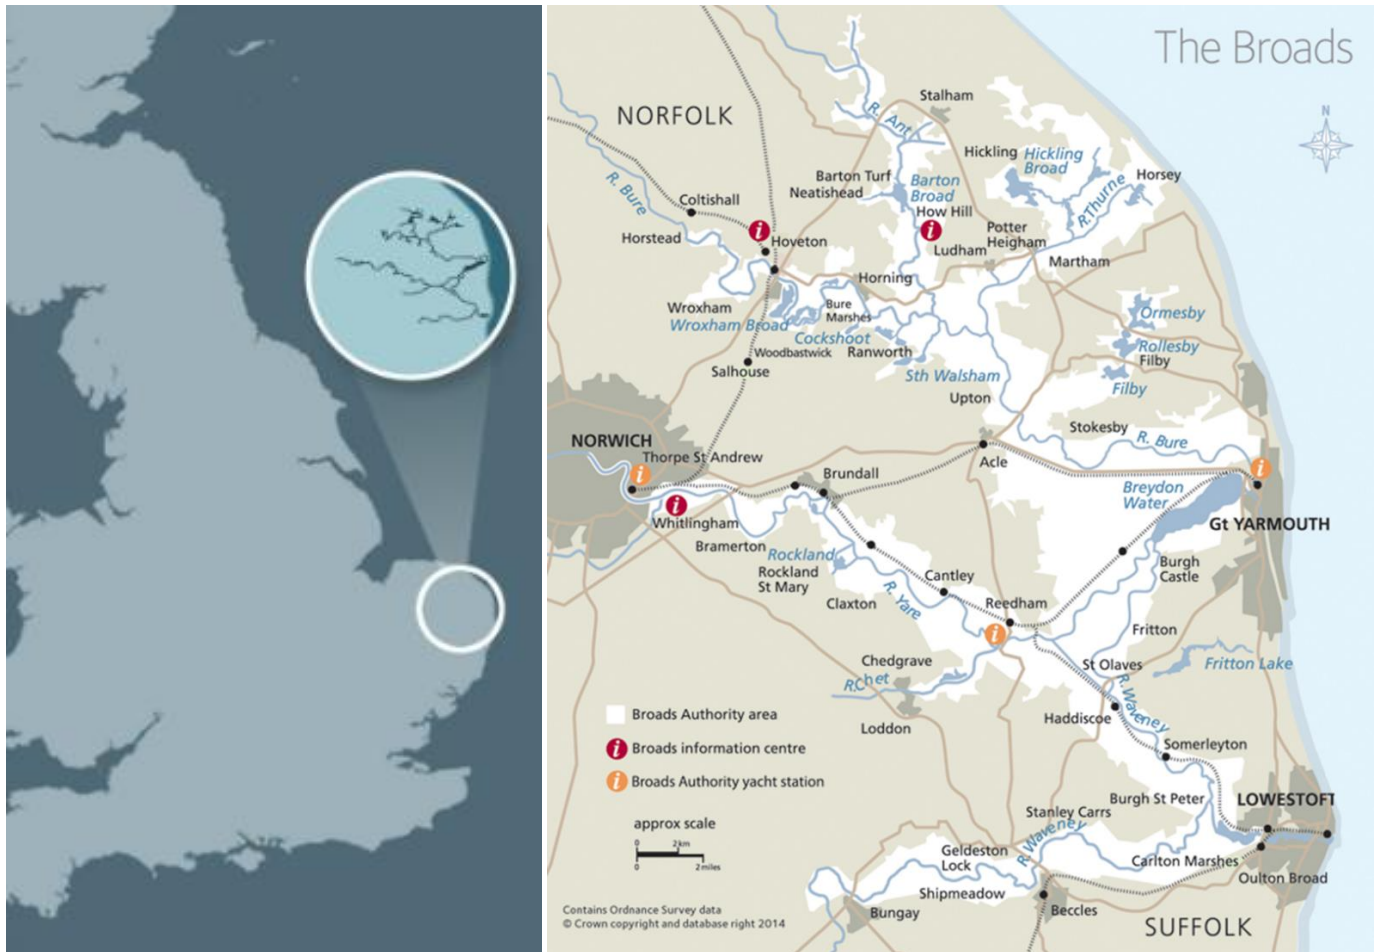

Mapping the Broads

Key terms

Norfolk Wroxham	East Breydon Water	River Bure Great Yarmouth	Reedham West
--------------------	-----------------------	------------------------------	-----------------

Describe the location of the Broads in relation to the rest of the country

Use as many words as possible from the key terms above and the map on the right to provide a locational description of how to travel from Wroxham to Norwich on a boat

In which direction is Great Yarmouth from Norwich?

Name two towns in Suffolk which are on the River Waveney?

A delightful afternoon at Horning

We spent a brilliant afternoon at Horning watching the antics of the sailing boats of the Horning Yacht Club practice their skills on the River Bure. There were also plenty of motor cruisers about and, of course, The Southern Comfort Mississippi Paddle Boat to add to the...

Beautiful nature and peaceful time

We visit the broads in May 2019 and I really amazed because of the beauty of the nature. Especially to see the wild animals makes me always very excited and happy. I saw some wild birds, ducks, swans on the lakes. To watch boats on the water and listen silence of the nature was...
